Who can purchase the Unlimited Internet Passes?

All active subscribers on Hotlink Prepaid Unlimited plan can purchase any of the Unlimited Internet Passes.

What are the Unlimited Internet Passes available for purchase?

There are 4 types of Unlimited Internet Passes:

Unlimited Internet Passes	Price	Validity	Internet Quota	Voice Call Quota
Unlimited internet and calls (6Mbps) 30-day	RM45	30 days	Unlimited (6Mbps)	Unlimited
Unlimited internet and calls (3Mbps) 30-day	RM35	30 days	Unlimited (3Mbps)	
Unlimited internet and calls (3Mbps) 7-day	RM12	7 days		
Unlimited internet and calls (3Mbps) 1-day	RM3	24 hours		

How can I purchase/check the balance quota of my Unlimited Internet Passes?

Download Hotlink app from Google Play/App Store to purchase and manage all internet passes. Alternatively, you may dial *100#.

Can I share the Unlimited Internet Passes internet quota with other devices via mobile hotspot?

No, the Unlimited Internet Passes are for usage on your smartphone only. You may purchase the Add-On Internet Passes for mobile hotspot usages.

Is there a quota limit to internet usage on the Unlimited Internet Passes?

There is no quota limit to the Unlimited Internet Passes, you will enjoy high speed internet and upon reaching the limit for Fair Usage Policy, you will surf on reduced speeds.

What happens if I purchase another Unlimited Internet Pass while having an existing Unlimited Internet Pass?

The Unlimited Internet Pass with faster speed will take precedence.

E.g. you have an *existing Unlimited Internet and Calls (3Mbps) 30-day pass*. You purchase another *Unlimited Internet and Calls (6Mbps) 30-day pass*. All internet browsing will now be at 6Mbps instead of 3Mbps.

Are the Unlimited Internet Passes auto-renewable?

No.
